LARAM School 2016 and 8th ALERT Zienkiewicz Course

5th - 16th September 2016, Salerno, Italy

	9:00 - 10:45	11:00 - 11:30	11:30 - 12:30	12:30-14:00	14:00-15:30	15:30-17:00	17:00-18:30		
Monday 5	**Cascini** Opening lecture and Introduction to landslides		**Ferlisi** Introduction to Risk Theory	Lunch	**Nadim** Risk theory (for site specific problems)		**Cascini** Introduction to Landslide Susceptibility	**8th Olek Zienkiewicz Course**	**LARAM School 2016**
Tuesday 6	**Alonso** Soil characterization for landslide analysis			Lunch	**di Prisco** Constitutive modelling in rainfall-induced landslides		**di Prisco** tutorial		
Wednesday 7	**di Prisco** Constitutive modelling in earthquake-induced landslides		**Alonso** Thermo-mechanical coupling in fast catastrophic landslides	Lunch	**Cotecchia** Diagnosis of landslide processing in clayey soils		**Cotecchia** tutorial		
Thursday 8	**Scavia** Modeling of rock slides and rock falls			Lunch	**Pastor** Modeling of landslides in coarse-grained soils		**Cuomo** tutorial		
Friday 9	**Cascini** From geomechanics to landslide susceptibility analysis		**Cuomo** Landslide susceptibility deterministic analysis	Lunch	**Calvello** Landslide susceptibility statistical analysis	**Closure** ALERT course			
Saturday 10	Technical Visit								
Sunday 11	**Free**								
Monday 12	**Jaboyedoff** Human induced landslides		**Cascini** Introduction to Risk zoning	Lunch	**Mavrouli** Hazard analysis	**Mavrouli** tutorial	**Mavrouli** tutorial		
Tuesday 13	**Ferlisi** Elements at risk and their vulnerability		**Cascini** Preliminary level of Risk zoning	Lunch	**Cascini-Calvello** tutorial	**Kwan** Global QRA	**Kwan** Site-specific QRA		
Wednesday 14	**Kwan** tutorial		**Lato** Landslide risk assessment in north America	Lunch	**Lato** Remote sensing technologies (Lidar)	**Peduto** Remote sensing technologies (DInSAR)	**Students** Presentations		
Thursday 15	**Peduto** Remote sensing technologies (DInSAR)		**Crosta** Risk mitigation via non-structural measures	Lunch	**Crosta** Risk mitigation via non-structural measures		**Students** Presentations		
Friday 16	**Calvello** Early-warning systems		**Ferlisi** Risk mitigation via structural measures	Lunch	**Leroi** Landslide Risk Management		**Closure** LARAM School
