The nearest major transit points are Mandi bus stand (20 km) and Chandigarh Airport (190 km).

2. About IIT MANDI, Himachal Pradesh, India

IIT Mandi is one of India's eight second-generation IITs established by the Government of India in 2009. It has rapidly emerged as a leading centre for higher education and research in science,

technology, and engineering, particularly in sustainable mountain development, landslide risk mitigation, and advanced computing.
Nestled in the Himalayan foothills, the Kamand Campus of IIT Mandi provides a unique blend of modern infrastructure and natural serenity. The campus is divided into North and South campuses, spread across 538 acres, connected by bridges over the Uhl River.
IIT Mandi offers undergraduate, postgraduate, and doctoral programmes in diverse disciplines and has established active collaborations with national and international institutions.
