LARAM 2006: 1st WEEK

	9.00 – 11.00	11.00 – 12.00	12.00 – 13.00	13.00 – 14.00	14.00 – 15.00	15.00 – 16.00	16.00 – 17.00	17.00 – 18.00	18.00 – 19.00
Monday 04/09/2006	**Welcome Addresses** **Landslides Risk Management concepts and framework** (Fell)	Morning Break	*Continued* (Fell) **Hazard characterisation including overview of methods for assessing frequency of landsliding** (Bonnard)	Lunch	**Details on frequency analysis** (Fell)	**Estimation of travel distance and velocity** (Corominas)	Afternoon Break	*Continued* (Corominas)	**Tutorial on estimation of frequency and travel distance** (Fell, Bonnard, Corominas)
Tuesday 05/09/2006	**Estimation of temporal and spatial probability** (Bonnard, Corominas or Fell)	Morning Break	**Case examples of rockfall, sliding in urban cuts and fills, large landslides, use of event trees** (Corominas, Fell, Bonnard)	Lunch	**Tutorial examples to cover risk analysis and assessment rockfall, small debris slides, large slow moving landslides** (Corominas, Fell, Bonnard)		Afternoon Break	*Continued* (Corominas, Fell, Bonnard)	
Wednesday 06/09/2006	**Hazard evaluation at local and regional scale** (Nadim, Pastor) **Numerical tools for evaluating the stability of individual slopes and the propagation (runout) of individual landslides** (Pastor)	Morning Break	*Continued* (Pastor)	Lunch	*Continued* (Pastor)	**Source of uncertainty and probabilistic evaluation of landslide triggering and propagation** (Nadim)	Afternoon Break	*Continued* (Nadim)	
Thursday 07/09/2006	**Introduction to landslide hazard evaluation at regional scale** (Nadim)	Morning Break	**Principles of prevention and long-term management of landslides: possible solutions** (Bonnard)	Lunch	**Risk management strategy and processes: specificities of European and tropical countries** (Leroi)		Afternoon Break	**Principles and design of control works against rockfalls and shallow slides: solutions in urban areas** (Lacerda)	
Friday 08/09/2006	**Is the control of large landslides a realistic challenge? Efficiency of drainage works** (Bonnard)	Morning Break	**A real-time alert system for landlsides due to rainfall** (Lacerda)	Lunch	**Examples of implementation of control works and planning measures: the problems of communication with the population and of maintenance** (Leroi)		Afternoon Break	**Tutorials on concepts of control works and prevention measures: how to present a solution to local authorities?** (Bonnard, Lacerda, Leroi)	
Saturday 09/09/2006	**Technical VISIT**								

LARAM 2006: 2nd WEEK

	9.00 – 11.00	11.00 – 13.00	13.00 – 15.00	15.00 – 17.00	17.00 – 19.00
Monday 11/09/2006	**Scope and scale of landslide hazard and risk zoning** (Cascini); **Input elements to zoning maps** (Cascini)	Morning Break	**Hazard zoning and risk assessment at regional and medium scale** (Cascini)	Lunch	**Tutorial on hazard zoning and risk assessment at medium scale** (Cascini); Afternoon Break; **Landslide risk zoning at large-scale** (Sun)
Tuesday 12/09/2006	*Continued* (Sun); **Exercise** (Sun)	Morning Break	**Risk management and mitigation** (Sun)	Lunch	**Digital techniques for monitoring and mapping** (Sun); **Session Review** (Cascini, Sun); Afternoon Break; **Risk assessment and landslide characterization** (Cascini); **Field strength parameters** (Alonso)
Wednesday 13/09/2006	*Continued* (Alonso); **Water flow and risk of instability** (Alonso)	Morning Break	*Continued* (Alonso); **Case history: Aznalcollar dam slide** (Alonso)	Lunch	*Continued* (Alonso); **Triggering mechanisms of fast slope movements in unsaturated pyroclastic soils** (Sorbino); Afternoon Break; **Case history: the catastrophic landslides of May 1998 in the Campania Region** (Sorbino)
Thursday 14/09/2006	**Geomechanical modelling of landslides and rockfalls** (Darve)	Morning Break	*Continued* (Darve)	Lunch	**Analysis of the stability of slopes** (Nova); Afternoon Break; *Continued* (Nova)
Friday 15/09/2006	**Thermo-poro-mechanics of catastrofic landslides** (Vardoulakis)	Morning Break	*Continued* (Vardoulakis)	Lunch	**General criteria for terracing of slopes along highways** (Lassus); Afternoon Break; **Examples of terracing of slopes along highways** (Lassus); **Concluding Remarks** (Cascini)
Saturday 16/09/2006	**DEPARTURE DAY**
